## Park Information

### Height restrictions on rides

There are height restrictions on all of the rides at the Park. Specific restrictions can be found on the park maps, which are given to the supervisor on the day of visit. Ride information can also be found on the boards located by the entrance of each ride.

### Storage of items

Thorpe Park cannot accept responsibility for items brought to the Park but lockers are available as many of the rides will not allow you to ride with them. Small lockers\* can be found in the lower Dome, by Nemesis, Colossus and opposite Tidal Wave.

### First aid

The First Aid Centre is run by qualified staff and is located in the lower Dome, next to Guest Services.

### Lost property

Any found items are taken to Guest Services. If you think you might have lost an item on-site, visit Guest Services on the day or contact them on 01932 577 123, with your visit date and an accurate description of your item.

### Meeting points

We strongly advise that the end of day meeting area is arranged outside the turnstiles in the ticket sales area, as this has the capacity to accommodate all schools, and is closer to the coaches. Meeting points in the Dome and on the bridge cause major congestion on an emergency route.

### Lost persons

If you become separated from the other members of your party, you can ask for a staff member for assistance or go to the medical centre.

### Behaviour on park

Good behaviour is expected of all guests visiting the park. Staff are trained to enforce these regulations for the benefit of all guests. Anti social behaviour will result in removal from the park and the party leader being notified.

Please could the group organiser ensure a copy of the contact details are given to GUEST SERVICES on the lower level of Port Atlantis Dome in case of medical or security emergencies.

\* Lockers are charged at £1.00 each
